Twister is a game that involves spinning a wheel to determine which colored circles on a mat the player must place their hand or foot on. The objective is to keep from falling over or losing one's balance while following the instructions given. Twister can be adapted for educational purposes by incorporating letters, numbers, or shapes into the game.

**Number Twister:**

Use a mat with shapes on it and call out a shape for the children to place their hand or foot on. This game can be adapted to focus on specific shapes or spatial awareness skills.

**Tips for Playing Twister in Early Childhood Education**

gt;

Make sure the mat is large enough for all the children to participate.
