Theft Association. This regional group was founded in 1987 as Western States Energy Theft Association (WSETA) with the intent to bring utility companies together from the Western United States. In 2001 the name was changed to Western States Utility Theft Association. Our mission is to identify measures to protect our companies from revenue losses associated with unauthorized use of service.

Each year, WSUTA hosts a conference.

The Nevada Gold Complex created in the joint venture includes the original Carlin gold mine as well as the two Carlin-type mines Goldstrike and Cortez. Together, they represent the most productive mining complex in the world with an output of 115.8 tons in 2024.
