<p></p><p>Football corners predictions is one of the fairly ne

w tips offered by tipsters and by us. Some say it's luck £ ， predicting corn

ers in a football game, but we at AFootballReport find in corners very profitabl

e markets especially in live events £ ， when odds go very high as the game evolv

es.So how do we predict corners? Of course as any other football £ ， prediction

and corners are related to a number of pre-match and team factors. First of all

we should see the £ ， type of game we're looking for or the type of game we

want to predict. Is it a game with £ ， a strong favorite or just two equally str

engthen teams that play. If it's a game with a strong favorite probably £ ，

we should pay attention to the corners race predictions as strong favorites alwa

ys keep the ball in possession more than £ ， the other teams and create more cha

nces as they push forward almost during the whole game. Keep in mind in £ ， live

events that if the score is in favor of the favorite team then this team would

not be so £ ， motivated to create chances and would probably win less corners th

an in a draw event or from behind.</p>

<p>Second thing we £ ， should use when making our corners tips is to see t

he teams lineups and tactic for the upcoming game. Target £ ， teams with more o

ffensive tactics and teams that use wingers heavily in their attacks. For exampl

e, some good wingers for £ ， the home team could easily produce more than 10-20

crosses in the penalty area which very often defenders clear in £ ， corners.<

<p>Corners in the late stage of the game are more likely to happen than in

the early minutes. Usually teams £ ， are very careful in the opening minutes of

a football game and they try to enter the game more passively £ ， than aggressi

vely. As the game continues depending on whether a team is losing or winning the
