Funny Haircut is a hairstyling game where you give your customers unique haircuts in your own salon. Wash your customer's hair and get it clean first, then use your professional hairdressing equipment such as curlers, straighteners, dryers, dyes and hairspray to give them a fresh hairdo. The hair physics in this game is so realistic that you will feel like a real hairstylist. We trust you to make your customers look absolutely unrecognizable. Let your hair down and enjoy the hilarious Funny Haircut!

Use your mouse cursor to select, drag and move your equipment.
